

## Images of the ITRC 2002 Fall Meeting

Above: Board meeting.  
Right and below: Team meetings.

At the membership meeting, L to R: ECOS Executive Director Steve Brown, ITRC Co-Chair Brian Griffin, and ITRC Co-Chair Ken Taylor with board member Paul Hadley.

Left: At the membership meeting, board member Gary Baughman presents the team award to DNAPLs Team Leader Eric Hausamann and the team leader award to the Diffusion Sampler Team's George Nicholas. Above: Paul Hadley picks a winner of \$1000 from those who submitted Document and Training Feedback Surveys.

Left: Federal Sponsors Panel including (L to R) Marianne Horinko, EPA Assistant Administrator for the Office of Solid Waste and Emergency Response; Maureen Koetz, USAF Deputy Assistant Secretary of Environment, Safety and Occupational Health; and Jessie Roberson, DOE Assistant Secretary for Environmental Management.

Above, L to R: Discussion after the federal panel and, at the plenary session, retiring ex officio board member Craig DeRemer and ITRC Program Director Rick Tomlinson. Below, L to R: ISB Team Leader Bart Faris overviews team activities and an interactive discussion on examining risk approaches.

Between sessions, left (L to R): Dib Goswami, co-lead of several technical teams, chats with RADs Team co-lead Carl Spreng. Below (L to R): Board member Ken Nemeth (SSEB) with public stakeholder board member Wade Waters.
