

Images of ITRC's 2003 Fall Meeting in Monterey

Paul Hadley, Advisory Board member and State Engagement Coordinator, presented Outstanding POC awards to David Randolph, Tennessee (left) and Rob Weber, Kansas (below).

ITRC also presented outstanding team member awards to John Chambliss, Constructed Wetlands and Mitigation Wetlands teams (bottom left), Peter Strauss, Small-Arms Firing Range and Constructed Wetlands teams (bottom center), Linda Fiedler, DNAPLs and MTBE-Contaminated Groundwater teams (bottom right) with Advisory Board member Bart Faris), and Eric Nuttall, In Situ Bioremediation team (not shown).

Outgoing Advisory Board members Paul Hadley, State Engagement Coordinator (below), and Brian Griffin, board co-chair (right), were recognized by board co-chair Ken Taylor for their contributions to ITRC success.

Gary Baughman, Colorado Point of Contact and former board member (left), chats with Dave Jewett and Ken Taylor.

Scenes from the Remediation Process Optimization (right), State Engagement (lower right) and DNAPLS (below) team sessions at the Fall Meeting.
