- 49 topics
- 450 classes

Training for Priority Environmental Remediation Topics

The Interstate Technology and Regulatory Council (ITRC) is a state-led coalition working together with federal partners, industry, academia, and stakeholders to achieve regulatory acceptance of environmental technologies. ITRC is your training partner providing FREE online and classroom training on key environmental topics. For more information contact the ITRC Training Program at 402-201-2419/training@itrcweb.org.
